Horsham German Club

Horsham German Club was founded in 1985 by the late Henry Sheldon, who was also instrumental in Horsham's twinning with Lage. There are close links between the German Club and Horsham District Twinning Association.

The Club is run by a small group of volunteer members.

The Friday meeting consists of a presentation or film, followed by a social gathering with wine and fruit juices. The Club is run in a mixture of English and German languages, with all levels of language ability welcome.
